Dear Ohioan,

Our records indicate that you received unemployment benefits in 2021. As a result, in January 2022, the Ohio Department of Job and Family Services will mail a 1099-G tax form to you for use when you file your federal and state income taxes.

If you received this notification and you did not apply for unemployment benefits in 2021, you may be the victim of identity theft. If you have not yet reported potential identity theft to the Ohio Office of Unemployment Insurance Operations, please visit unemployment.ohio.gov and click on the red "Report Identity Theft" button or call 1-833-658-0394. That will allow us to prevent a 1099-G form from being issued to you.

If you did receive unemployment benefits in 2021, please log in to your unemployment account to verify that your information and mailing address are correct. Thank you.

Sincerely,

Office of Unemployment Insurance Operations
